PROGRAM DESCRIPTION

Now is the time for Canadian companies to export globally.

A lower Canadian dollar, limited domestic growth and a strengthening U.S. economy have established the right conditions for Canadian firms to go global.

To help Canadian firms increase their export potential, World Trade Centre Toronto—the trade services arm of the Toronto Region Board of Trade—has launched TAP-GTA, a trade accelerator program to serve as the one-stop shop for a company’s exporting needs.

Through its Lead & Supporting Partners, TAP-GTA gives companies access to Canada’s top exporting advisors, resources and contacts. Companies will have the opportunity to work with RBC, CN, UPS, EDC, BDC, the Trade Commissioner Service, the Province of Ontario and others to build a new Market Entry Plan and then begin its activation.

World Trade Centre Toronto encourages companies to take advantage of this unique opportunity to accelerate their firm’s growth and export capacity. The services and visibility provided by TAP-GTA are valued to be approximately \$25,000; the program is offered at a cost of \$2,500 per company. If nominated by TAP Sponsors or Partners, this fee will be waived for you.

PROGRAM ACTIVITIES

STEP 1: ONBOARD	STEP 2: ASSESS	STEP 3: ACTIVATE
<p>The program begins with an intensive two-day training session in Toronto to orient participating companies on the program, the exporting resources available to them, and how they can build and implement a new Market Entry Plan.</p> <p>This instruction will be delivered by leading Canadian export advisors through dynamic interactive workshops.</p>	<p>A few days following the two-day workshop, participating companies will come back to follow an intensive day of mentoring to start elaborating their export strategy and write their export plan.</p> <p>Experts in international business development will provide individual coaching to each participant to guide them through an Export Assessment Tool which will then be analysed by leading Canadian export advisors.</p> <p>Each participating company will receive a short report outlining the strengths and gaps related to their company’s Market Entry Plan.</p> <p>Through this process, participating companies will be matched with the TAP-GTA’s Lead and Supporting Partners to fill in the gaps.</p>	<p>TAP-GTA’s Lead & Supporting Partners and the export specialists of World Trade Centre Toronto will spend individual time with each participant to help them finalize their new Market Entry Plans.</p> <p>By the end of the process, participating firms can expect to have a new Market Entry plan, which they are beginning to activate with assistance from TAP-GTA’s Lead & Supporting Partners.</p> <p>These organizations are resolved to help participating companies take the first step into a new market by assisting them with the resources, information and contacts they need to go global.</p>
